

Evan Passero

Manager – UX Research & Design

Email: designer@evanpassero.com

Portfolio: www.evanpassero.com

Phone: (513) 225-3101

Objective

I want to build teams that are empowered to find new and inventive solutions to customer problems. I believe that great design is simple, intuitive, relevant, and personal. Teams that build to those principles will delight their customers and easily meet the needs of their clients.

Experience

UX RESEARCH & DESIGN MANAGER | JUN 2017 - Present

Southwest Airlines, Dallas, TX

- Oversee implementation of cross-channel digital experience
- Assist channel and product owners in defining future opportunities and strategy
- Advocate best-in-class customer experience across multiple departments
- Develop biometric testing roadmaps to identify new opportunities, educate product owners, and validate design decisions prior to development.
- Manage multiple projects and facilitate delivery with shifting deadlines
- Mentor team members, provide on-the-spot coaching, and build growth plans

SENIOR UX DESIGNER | AUG 2016 - JUN 2017

UX DESIGNER | OCT 2014 - AUG 2016

Southwest Airlines, Dallas, TX

- Design modernized experiences for Low Fare Calendar, account management, kiosk accessibility compliance, and car bookings.
- Guide development efforts around building a scalable and reusable componentized design system.
- Consult with external developers to ensure a consistent digital experience for our Customers.

DIGITAL USER EXPERIENCE ENGINEER | JUL 2011 - OCT 2014

JCPenney, Plano, TX

- Design shopping interfaces for in-store kiosks
- Concept & test new shopping experiences leveraging eye tracking, VR, and RFID technologies.
- Design mobile Point of Sale systems for floor employees
